Y.M.C.A. TEAM TO MAKE A TRIP EAST

Will Play the Keyser Collegians and a Team at Cumberland.

The Y. M. C. A. will play their next game with the strong Keyser Collegians at Keyser on Thursday evening. On Friday they will play a team from Cumberland at Cumberland. Arrangements for the latter game will be completed today.

The Keyser Collegians thus far have the best record of any team in the state. They have played eight games and have made an average of over 15 points to a game and are yet to suffer their first defeat. They have won from Wesleyan on Wesleyan's floor. In the Wesleyan game they scored only 34 points. In practically all other games they have scored over 100 points.

Little has been heard in local basketball circles from the Cumberland team, but they are sure to give the Y. M. C. A. a lively fight.

Mountaineers Lose Game to Marietta

West Virginia University lost their third straight game to Marietta College on Saturday evening by a 26-25 score. The game was fast and interesting from start to finish, both teams playing unusually good basketball. The winning point was made in the last few seconds of play when Stewart of Marietta shot a foul and won the game. The line-up is as follows: W. V. U. (25) Pos. Marietta (26) Latterner (Capt.)

Forward: Rogers, Wymer, Whetzel, Swiger. Center: Meinstor (Capt.), Hamm. Guard: Mackey, Martin.

The West Virginia team left for Morgantown tonight, expecting to arrive there tomorrow.

Having noticed that a Philadelphia boxer has scored a technical knockout in about the same class as an informal football team.

### Oil and Gas.

The best of the late completions in the lower southwest fields are not better than light pumpers. Moreover here were but few of any kind. On the little Kanawha river in Center district, Calhoun county, Bickel Bros. have drilled their test on the L. E. Betts farm into the Maxon sand at a depth of 1,375 feet and it is showing from a fraction to about two points. Spencer district, Roane county, the Carter Oil company has a show for an 8-barrel pumper in the Big Injun sand at No. 4, on the W. T. McDonald heirs

### New York

NEW YORK, Jan. 14.—Heavy selling of United States Steel common by important sources caused a heavy tone to overcome the New York stock market Saturday and as a result the 1st in general slumped, moderate recessions being noted. The changes ranged from a fraction to about two points, but there were no sharp breaks. The market was rather quiet and the range much narrower in the session, which was short. Ohio Fuel Supply continued in good demand.

## HIGH SCHOOL WILL GO TO BUCKHANNON

Both Teams Are Weaker Than They Were Last Year.

The Fairmont high school basketball team will leave tomorrow morning for Buckhannon, where tomorrow evening they will play Buckhannon high.

Buckhannon like Fairmont, is not near so strong as they were last year. Last year the two teams were almost evenly matched and were the big rivals of the tournament, in basketball and in cheering. Fairmont succeeded in taking the honors from the Upshur county team in both phases of the tournament.

Buckhannon lost a game on Saturday night to the Shinnston high school team. Although the local team has not fully recovered from their strenuous trip to the southern part of the state, they believe they are soon enough to beat the Buckhannon team tomorrow night.

### BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, gripping cathartics are derived from Dr. Edwards' Olive Tablets without gripping pain or any disagreeable effects. Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night, a week and note the effect. 10c and 25c per box. All druggists.

Only 500,000 shares of stock will be sold. Stock will positively advance \$1.00 per share within the month, etc.
